

Santa Reindeer Danglers

Instructions:

Requirements:

Embroidery sewing machine

Download digitised Dangler designs by emailing floriani@people.net.au

Floriani Medium tearaway to fit in medium size hoop

Floriani Stitch N Shape to fit in medium size hoop

Floriani Embroidery threads, colours of choice

Split pins (purchased through newsagencies)

- Hoop medium tearaway in embroidery hoop, cut Floriani Stitch N Shape to size of your embroidery field.
- The Dangler Designs have been digitised as an appliqué design and will stitch out an outline for you to float your Stitch N Shape on, stitch the next colour and trim the Floriani Stitch N Shape back to stitching, ensuring not to cut tearaway.
- Continue to stitch the rest of the design, when finished tear the tearaway away from the Stitch N Shape.
- With a sharp pair of scissors trim around the outer edge of the design – for an even smoother finish if you have a [Know How Stencil Burner](#) simply run around the outer edge of the design. They are now ready to sew to your desired item.

- Put together with split pins at pivot points as marked on pattern and enjoy.

Happy sewing

Lizzy
